Viewing the What-If Degree Audit Report

The What-If Degree Audit Report is a tool designed to allow students to see how course selection or change in major/minor affects requirements that a student needs to complete towards their undergraduate education at UMBC. You can create multiple “What-if” reports to see how different selections apply towards graduation and major requirements.

1. Log into myUMBC.

2. Locate the topic, Advising and Student Support.

3. Click the link What-If Degree Audit.

4. Click the Create New Report button.

View the last What-If report you generated. The date it was created displays.
A. Generate Report based on Program Scenario: Select from the drop-down menus Academic Program, Area of Study and/or Concentration. You may choose one or a combination of options from this area. Choices for Concentration is based on the Area of Study selected.

B. Generate Report based on Course Scenario: Click the browse course catalog button to select one or more courses to see how they would be applied within the Degree Audit and how it affects progress towards your graduation, major, minor or concentration requirements. The What-If Course List displays selected courses.
