SPSS Installation

Mac and Windows SPSS installations are identical.

1. Open the SPSS installer you downloaded to initiate the installer.

2. Click "Next" to begin the installation.

3. Select the "I accept the license agreement" option and then click "Next".
4. Make your selection and then click "Next" to proceed.

5. Click "Next" to proceed.
6. Click "Install" to begin installing SPSS.

7. When the installation completes, check "Start SPSS Statistics XX License Authorization Wizard now" and then click "Finish".
8. Select "Authorized user license" and then click "Next".
9. Enter the authorization code available on the SPSS software downloads page in myUMBC into the “Enter Code” area and then click “Next.”
10. Once the code successfully authorizes, click "Next" to proceed.
11. Click "Finish" to complete the SPSS installation.
Licensing Completed
You have successfully licensed your Product.

Your license is effective the next time you start your product.
