How do I create an assignment storage folder for students within Panopto?

Tell Me

1. Access the Panopto Tool Link within Blackboard
2. If this is your first time accessing Panopto within your course, you will need to walk through the course storage configuration process
3. Click on the gear icon to modify the folder settings
4. From the Overview Tab, Click on Create Assignment Folder
5. Once the Folder has been created, it will appear as a sub folder with “[assignment]” at the end of the folder name
6. Close the Settings window.
7. Click on the Course storage folder to view the Assignments folder
