How do I add Panopto as a Tool Link in Blackboard Learn?

Adding Panopto to your course is easy. An initial setup process is required if your course does not already have a tool link. The directions below provide step-by-step guidance.

Tell Me

1. From your Blackboard course, navigate to the Add Menu Item link
2. Click on the Add Menu Item link
3. Click on Tool Link
4. Enter Panopto in the Name box
5. Click on the dropdown menu for the row Type, select Panopto Course Tool Application from the list.
6. Check the “Available to Users” box
7. Click on Submit
8. The Panopto tool link should now be visible on your left-hand side course menu
