How do I access the cloud-based version of Office 365?

Step-by-step guide

1. Type in your UMBC email address [here](#) and then click **Next**. When it takes you to myUMBC, type in your UMBC credentials and then click **Log In**.
2. Click on the app you want to use (or click Explore all your apps to see a list of all the cloud apps in case you don’t see the app you want) and it will open in your browser window.
