How do I accept a profile sharing invitation?

Tell Me

1. Click the Accept Invitation button in the email you receive once someone shares their profile with you.
2. In the Guest Access section of the login page, click on the service you want to log in using.
   (Note that the service you select is the one you need to use each time you want to log in to myUMBC to access this persons profile)

3. Log in to the service you selected if you are not already logged in.
4. If prompted, authorize myUMBC access to use the service you selected.
5. Follow the on-screen instructions to complete your log in to myUMBC.

If you receive a You can’t share your profile with yourself error, be sure that the person who shared their profile with you is not logged in to myUMBC on your computer (completely close all browser windows) and then click the Accept Invitation link from your email again.
