Adobe Creative Cloud

Adobe Creative Cloud is a software as a service offering from Adobe Systems that gives users access to a collection of software applications for graphic design, video editing, web development, photography, and cloud services. This is accomplished through the Creative Cloud desktop application, a cloud-based software licensing and delivery system for Adobe applications and services.

Eligibility
Faculty/Staff/Student Staff for academic and professional use

License Usage & Licensed Components
Please be aware of the use limitations of Creative Cloud apps (more info here). The installation packages provided here are for use by UMBC faculty/staff members on UMBC owned computers only. Information on how to obtain Adobe applications for use on non-UMBC owned faculty/staff personal devices can be found in the Adobe Creative Cloud Personal Use page.

List of available Adobe desktop apps for UMBC owned computers

Install Instructions For UMBC Owned Computers
1. Install the Creative Cloud desktop app (Mac, Windows).
2. Install the Adobe applications you want (Mac, Windows).

Creative Cloud desktop app (Mac)
Platforms: Mac and Windows

The old UMBC Adobe license (didn’t require you to be signed into your UMBC Adobe account to use) will cease to function on 01/31/2020. Please uninstall any existing Adobe apps that are on the old license and then install and sign in to the Creative Cloud desktop app using the instructions below to access current Adobe apps.
