How do I share or email a Find Help article?

Tell me

1. Click the Log In link to the left of the Search field.
2. If you're not logged into another UMBC service, enter your myUMBC account information when prompted. If you're already logged in, proceed to step three.
3. Click the Share link in the top right hand corner.
4. Click Copy next to the URL listed under to Share link.
5. You can now paste the link to the URL into the destination of your choice (e.g. an email, a support response, etc).
