MS Office (KMS)

This version of Office is for UMBC owned computers only and requires a campus network connection to activate.

**Description**
Office can help organizations and their employees transform information into impact. New and familiar products, features, and functionality improve how people and organizations connect to people, information, and business processes. Information on accessibility for Microsoft Office can be found [here](#).

**Instructions**
Please go [here](#) for information on how to access the KMS version of Office (instructions on how to reactivate Office is [here](#)).

**Tutorials**
- UMBC CIRC Software Workshops: Microsoft Excel for Data Analysis
- UMBC CIRC Software Workshops: Microsoft Access for Data Management
