How do I export a TurningPoint 8 session to the Blackboard Grade Center?

1. Close out of your polling software you were using to cue up the TurningPoint Cloud Dashboard.

2. In the dashboard, select Manage tab.

3. Select the appropriate Participant List for the course.

4. Click Upload Grades.

5. A Grade Upload Warning will pop up if any of your students are missing part of their registration. Click OK.

6. Click on the box to select each session you want to export and click Upload.

7. Click Export.
