Adobe Creative Cloud

Adobe Creative Cloud is a software as a service offering from Adobe Systems that gives users access to a collection of software applications for graphic design, video editing, web development, photography, and cloud services. This is accomplished through the Creative Cloud desktop application, a cloud-based software licensing and delivery system for Adobe applications and services.

Eligibility
- Faculty/Staff/Student Staff for academic and professional use

Version
- Latest

System Requirements
- Creative Cloud system requirements

License Usage & Licensed Components
- Please be aware of the use limitations of Creative Cloud apps (more info here). The installation packages provided here are for use by UMBC faculty/staff members on UMBC owned computers only. Information on how to obtain Adobe applications for use on non-UMBC owned faculty/staff personal devices can be found in the Adobe Creative Cloud Personal Use page.

List of available Adobe desktop apps for UMBC owned computers

Install Instructions For UMBC Owned Computers
1. Check if the Creative Cloud desktop app is already on the computer (it is named Adobe Creative Cloud and can be found in either the Desktop or Start Menu in Windows or the Applications folder in Mac). If you have it, skip step 2 and go directly to step 3.
2. Install the Creative Cloud desktop app (Mac, Windows),
3. Install the Adobe applications you want (Mac, Windows).
