Microsoft Office 365

Office 365 is free and can be installed on up to 5 devices. Office 365 access will no longer be available upon leaving UMBC employment/enrollment. Sign in here with your myUMBC credentials to access Office 365.

For non-365 installs on faculty/staff UMBC-owned devices that remain on campus, please follow the instructions on this page.

For non-365 installs on faculty/staff UMBC-owned devices that will be mainly off-campus, please submit an RT ticket to receive assistance in setting up Office before the device is taken off-campus.
