How do I access Box?

Tell Me

UMBC-branded Box accounts are only available to current faculty, staff, and students of UMBC. All other users can sign up for a non-UMBC-branded personal Box account at box.com.

You can access Box by following one of the two following methods:

**Method 1:**

Log in to myUMBC and click the Apps icon in the upper right corner. Select Box from the menu.

**Method 2:**

Go to box.umbc.edu

In the middle of the page you will see a grey box with a "Continue" button. If you are already logged in to myUMBC, it should automatically take you into a section called All Files and Folders. If you aren't logged in, you will be taken to a myUMBC log in screen where you will need to enter your myUMBC username and password.
