How do I request a site in sites.umbc.edu?

Tell me
You can request a site for your Department or Organization by following these steps:

1. Visit http://sites.umbc.edu
2. In the Request a Site section on the left, click the Submit A Ticket button.
3. Fill out the required fields (denoted by a red asterisk).
4. Select the "I need a new website in the sites.umbc.edu environment" option, then Submit the request.
5. Once submitted, we will begin to process your new request and will contact you with any questions we may have.
