When do I have to pay for my courses?
UMBC bills students electronically - paper bills are not issued.
E-bills are available monthly, the first business day of each month, as determined by the date you register for your courses.
Once posted, e-bills are due on the 20th of that month, and late fees are assessed on the 25th of that month.

View account
Notification is sent to your UMBC email account each month when e-bills are available. A reminder email is sent 7 days if e-bills have not been viewed.
Access current account information through Account Inquiry via myUMBC.
