Are scholarships or financial aid available?

Scholarships

The Office of Summer & Winter Programs awards a limited number of full and partial scholarships to UMBC degree-seeking students who have a high GPA and are close to graduating. Financial need (based on student’s FAFSA information) is also considered.

- Full scholarships cover tuition for one UMBC summer or winter session course (up to 4 credits) based on UMBC’s in-state undergraduate or graduate tuition rate.
- Partial scholarships cover HALF of the tuition for one UMBC summer or winter session course (up to 4 credits) based on UMBC’s in-state undergraduate or graduate tuition rate.
- Students are responsible for all fees associated with their summer or winter courses.
