How do I find what textbook I need for my class?

Tell Me

1. Open your preferred Internet browser.
2. Go to http://my.umbc.edu
4. Click on the link to the Bookstore.
5. Under Course Materials, click the View the textbook list link.
6. Select the term and department.
   You have the option to view all the books or you can narrow down specifically by entering the course ID in the appropriate field.
7. Once you've found your course, click the button labeled View Your Materials.
